## **Possession of Weapons Policy**

### **on District Property**

For the safety, and freedom of violence for all community members, residents and visitors of Harris Park Metropolitan District, please refrain from possession or use of any dangerous weapons on district property. A license to carry the weapon on district property does not supersede district policy.

“District property” is defined as all District-owned or leased buildings and surrounding areas such as sidewalks, walkways, driveways and parking lots under the district ownership or control. This policy applies to all district-owned or leased vehicles and all vehicles that come onto district property.

“Dangerous weapons” include firearms, explosives, knives and other weapons that might be considered dangerous or that could cause harm.
